Stormwing Quest Chain

Face Stormwing by interacting with the Rift Orb—no more prerequisite Quest!

Completing the Stormwing Quest chain still offers a sizable reward

Stormwing is now accessible from the Rift Orb without completing the Stormwing Quest chain.

Players who complete the Stormwing Quest chain will be able to receive a new Quest from Outremus in Inggison Illusion Fortress or Richelle in Gelkmaros Fortress.

Quest Name	NPC	Location	Reward
Your Oath to Outremus	Outremus	Inggison Illusion Fortress	1,356,962 XP Outremus' Supply Package Decree of Valor (20)
A Solemn Promise	Richelle	Gelkmaros Fortress	1,356,962 XP Richelle's Supply Package Decree of Valor (20)

Violet Orb and Shining Scroll Quests

With refinements to the Dramata (Padmarashka and Sematariux) and the Governors (Mastarius and Veille), the Violet Orb and Shining Scroll Quests received from Omega and Ragnarok should now be easier to complete.

New NPCs in Inggison Illusion Fortress and Gelkmaros Fortress allow players to receive a replacement Violet Orb or Shining Scroll should theirs have been lost or destroyed.

The Violet Orb is acquired from Omega, and the Shining Scroll is acquired from Ragnarok. Both items begin special Quests which culminate in a mission to defeat Mastarius or Veille, and reward players with an Eternal grade weapon.
