

Patch Notes 2.7.0.1

Patch Notes [Client] 2.7.0.1

Patch Notes [EN-Language] 2.0.0.31

Instanced Dungeons

1. Changed the name of the object in the Decayed Garden of the Arena of Chaos in the Crucible Coliseum from Illusion of Hope to Relics of Blessing.

2. Players may now only enter the Arenas in the Crucible Coliseum at specific times.

3. Reduced the duration of the Boost Morale effect in the Crucible Coliseum.

4. The enhancement given to the rank 10 player in the 3rd round of the Arena of Chaos in the Crucible Coliseum will no longer expire if that player exits the client or logs out to character selection.

5. The lava eruption effect in the Collapsed Wind Tower of the Arena of Chaos in the Crucible Coliseum now occurs after combat preparation.

6. Some monsters in the Casus Ruins of the Arena of Chaos in the Crucible Coliseum now appear after combat preparation.

7. Players are now unable to enter a Crucible Coliseum arena which they have recently left.

- Added a message to the entry confirmation window notifying players when they are unable to enter.

8. Updated the Crucible Coliseum waiting list to include a notification that an opponent is needed.

9. The damage from Fire Cannon Ball from the Anti-aircraft Guns in the Crucible Coliseum no longer affects the user's stats. However, they still affect the PVP stats of that character's equipment or skills.

NPCs

1. Fixed the combat AI of Debilkarim the Maker, the boss of the Lower Udas Temple.

2. Udas Patrollers in the Udas Temple will now recognize characters of the same race.

3. Changed the stats and combat tactics of Padmarashka, the boss monster in Padmarashka's Cave.

- Increased attack stat.
- Changed skill range.
- Tweaked combat tactics.
- Increased the attack of Padmarashka's summoned underlings.

4. Corrected typos in some NPC dialogs.

Items

1. Tweaked the stats of Kaisinel Academy and Marchutan Priory items.
2. Added two new fabled-class sword sets, which can be earned from Padmarashka.
 - Padmarashka's Raging Scale Sword
 - Padmarashka's Raging Reversed Sword.
3. Lowered the number of Crucible Insignias required to purchase certain Academy and Priory items.
4. Modified the number of Crucible Insignias required to purchase Noble Tac Officer's Leggings from Numen, the Asmodian Divine Armor Upgrader.
5. Academy and Priory Teleport Scrolls can now only be used by level 45+ players.

Skills

1. Reduced the cooldown of Ranger skill "Nature's Resolve I" from 10 min. to 5 min.
2. Increased the Magical Accuracy of all Ranger Trap skills.

Quests

1. Removed the Crucible Coliseum quests: Perbano's Duty (Elyos) and Reward for Excellent Trainees (Asmodian).
2. The quests Arena Ticket (Elyos) or Arena Tickets (Asmodian) now give one Arena Ticket each instead of two.
3. More rewards have been added to the Manstone and Manastone Bundle exchange quests for level 30, 40, 50 and 60 Manastones.
 - Level 30, 40 and 50 Magical Accuracy and Magical Resistance Manastones
 - Level 60 Magical Accuracy, Magical Resistance and Healing Boost Manastones

Environment

1. Slightly modified the terrain in Padmarashka's Cave.
2. Tweaked the terrain around the Malek Mine in Beluslan.

Character

1. All debuffs are now cleared from characters upon leaving the Coliseum in Sanctum or the Triniel Coliseum in Pandaemonium.

UI

1. Increased the character limit in 1:1 petitions to allow for more text.
2. The icons for the buffs and debuffs on other Alliance members should now display properly.
