

1.9 Update

CLASSIC

3/22/2022 | [Updates](#) | [By Rin](#)

Update Scheduled:

March 23

In January, *Aion: Classic* combined several features from Korea's 1.8, and 1.9 into one package to update a massive number of features for all of you. Today, we're topping off this update to completely catch up with the Korean 1.9 features and implement them into the game. Although much smaller than our last update, the features coming should still be interesting for our Daevas ready for a classic adventure: Tiak Research Base and Divine Fortress have arrived!

Instance Dungeon

A new battlefield 'Tiak Research Base' has been added.

Players	Level Entry	Entry Time
Maximum 6 people	50+	Daily from 08:00PM to 10:00PM (CST) Server Time

Players must first complete the quest ‘The Origin of Darkness’ to access Tiak Research Base.

- This quest will be available by the following NPCs at Level 50:

- You can apply for entry through the entry application icon created on the left side of the mini map during the entry windows, or through the NPCs below:

- If you destroy a 'Data Processor', your own faction's 'Data Processor' will be created, and the map of the area will be revealed.
- If your faction has not created a 'Data Processor', the area will not be visible on the map. (Excluding minimap and transparent map)
- If your faction's 'Data Processor' is created, you will continuously accumulate Abyss points for a certain amount of time.
- If players successfully destroy the opponent's faction device, a 'Balaar Data Processor' will be created after a certain period of time.
- If all 'Data Processors' are destroyed (regardless of faction) at the same time, a 'Barrier Generator' will be created.
- If you destroy the 'Barrier Generator' the door to the Access Control Area will be opened for a certain period of time.
- The 'Barrier Generator' will respawn after a certain period of time.

Tiak Research Base daily and repeating quests have been added.

- You can acquire these quests from the NPC at the entrance of Tiak Research Base.
- NCW Bonus: Players will receive x3 Medals for completing these quests.

Upon the departure of Tiak Research Base, players will be ported back to their faction's Abyss base.
