2025-08-15 23:09:35 | 4,561

**[Character]**

1. Expands the maximum level of characters to 70.

2. Changed the amount of XP required to level up (including the level 65 to 66)

3. Changed to make both the Elyos and Asmodian factions playable on one server.

**[Tiamaranta]**

1. Added a new region 'Tiamat's Treasury'.

- Tiamat’s Treasury Guide

- Free entry is available at the entrance to Tiamat’s Treasury located in the Basrasa Legion Garrison Entry is also possible by paying Kinah through the Infiltration Route located on each faction’s battleship.
- Added Dragon Lord's Treasure Bundle as main reward content.
- Consists of Lesser and Greater Dragon Lord's Treasure Bundles, which can be upgraded to higher tiers by collecting rewards from the lower tiers. (Accessed via the Dragon Lord's Treasure Bundle Trader at the Starting Area of each faction in Tiamat's Treasury.)
- The higher the tier of the bundle, the more valuable the items you can obtain, and the greater the proportion of items that can be listed on the World Exchange.
- Keys can be earned after defeating monsters in the field and can be used to open randomly appearing Protectorate Chests (Protectorate Treasure Chest, Protectorate's Treasure Crate, and Protectorate's Golden Chest) for rewards. (The Protectorate's Golden Chest Key can be World Exchanged.)
- The main reward in the Protectorate Chest is the Dragon Lord's Treasure Bundle.
- The Sealed Dragon Lord's Treasure randomly appears in the Dragon Lord's Treasure Trove between 10 AM and 1 AM the following day. When 1, 3, or 6 players gather and interact with the chest, the unsealing process begins. As Protectors appear, you must fend them off, and once the seal is fully broken, player can claim their rewards.
- At the start of the unsealing, the Treasure Trove is closed, and the interior is converted to a conflict zone.
- Chests contain items such as the Dragon Lord's Treasure Bundle and the Greater Dragon Lord's Record Box.
- Upon entering the field, you can obtain a PvP Urgent Order. After completing the Order, you will be able to receive another one after a certain period of time.
- The Tiamat’s Treasury Urgent Order cannot be abandoned.
- The main reward for Urgent Order is Experience.
- After a predetermined amount of time has passed after the Sealed Dragon Lord's Treasure appeared, you'll be able to earn a

Sudden Mission.

- Sudden Missions are limited by a timer and are automatically abandoned when you leave the field or log out.
- The main rewards for Sudden Missions are Experience and 'Dragon Lord's Treasure Bundle'.
- Players can also gather “Processed Black Drana” and pay them to the Collector NPC for Experience.
- Black Cloud Traders Merchant will appear selling higher-tier items based on the total amount of “Processed Black Drana” delivered per faction.
- Black Cloud Traders Merchant sells Bonus Entry Scroll for Kinah and will sell different types of items depending on your level of advancement.
- Each person can purchase one item, and total purchases are limited per server.

2. Added Tiamaranta Incarnate Conquests.

- Incarnate Conquest Guide
- Every day from 19:00 (CST) for 15 minutes, an Incarnate Conquest takes place at each Heart within Tiamaranta.
- Starting at 18:00 (CST), you can purchase an Incarnate Conquest Application Selection Box from the Incarnate Conquest Special Operative aboard each battleship.
- Once you possess the Conquest Application for the battle you wish to join, you can travel to the Heart using the Teleporter for the Conquest that appears in the Ship.
- One minute after the start of the Conquest, the gates within each Heart will be destroyed, allowing you to enter.
- If the Incarnate is not defeated within 15 minutes, it will disappear, and rewards will be distributed based on contribution up to that point.
- Inside each Heart is a neutral zone, no flying, and you can only travel to each Heart via Teleporter.

3. Added new content - Battle to Seal the Dimensional Rift.

- It starts every Saturday, Sunday, and Monday at 20:00 (CST).
- It takes place in the Tiamaranta Mesa Central Garrison and Underground, Tiamat's Treasury Inner Ring area.
- At the start of the battle, the region will be changed to PVP region, but members of the same legion will be set as allies. Additionally, you can only group with members of your legion.
- A Rift/Fissure appears 2 minutes after the start, and attacking the Rift has a chance to reveal monsters, which also has a chance to turn into a Rampaging Rift.
- Defeating these monsters will reward you with Processed Black Drana, Pacification Armor, Skill Book Bundle, Lord's Treasure Bundle, Frigid Menace Outfit Box, Legion Production Mark Bundle, and Dimensional Rift Trace.
- Dimensional Rift Traces are used as a Legion crafting material and can be used to craft "Dimensional Treasure Chest" that drops Godstones and Manastones, and "Dimensional Experience Serum Box" that drops Experience Serum.
- One new quest has been added that can be taken during the battle and can be completed by defeating Rift/Fissure monsters or by defeating the "Processed Back Drana Convoy".
- Earn high XP and a large amount of Dragon Lord's Bundles for completing the quest.

4. Added the Luna's Temporary Dock.

- Located in Neutral Zone and quests can be picked up from Lunanerk NPC while exploring.

    - The Altered Secret Order items are available as Hexad Raid rewards.

## [System]

1. The Two-handed Weapon equip system has been changed, allowing the main weapon and secondary weapon to be equipped separately in the right and left hands. Simply equipping them will now grant the Combination effects.

- The weapon tooltip will output Combination information when equipped with both right and left hand.
- Equipment set configurations may not function properly. To resolve this, unequip all Two-handed weapons from the set, then re-equip and save them to ensure proper operation.
- Combination information for Two-handed weapons is not output in the Gear Options. Only the equipped weapon information

for each slot is output.

2. When transitioning to flight while moving, the wing-unfolding animation is skipped.

## [Storybook]

1. Added a new Ancient Art, 'Tiamat's Treasury Painting'.

## [Others]

1. Fixed intermittent failure to fly with the fly button.

2. Fixed some areas of Octanu's Lair in Morheim being inaccessible.

3. Fixed inventory movement sounds being emitted when disarming a secondary weapon that was being combined.

4. Changed skills registered in the Quickbar to continue to trigger as long as the shortcut key is held down.
