Patch Notes

1. A “Take All” button has been added to the mailbox window. It allows the player to receive attachments from multiple messages at once.

2. Availability times for the following instances have changed:

Instance	Before	After	Time	Cooldown
Danuar Reliquary	Tue, Fri, Sat, Sun	Every day	Always	118 hours
Infinity Shard	Wed, Sat	Every day	Always	168 hours
Ophidan Bridge	Mon, Wed, Fri, Sun	Every day	Always	118 hours
Danuar Sanctuary	Tue, Thu, Sat, Sun	Every day	Always	118 hours
Kamar Battlefield	Mon, Wed, Sat, Sun	Every day	7-10pm (3 hours) 9am-12pm (3 hours)	48 hours

3. The art for the faction selection screen has been updated.

4. Code for the staged launcher UI has been improved.

5. Fixed the incorrect maximum enchant level for some items.

6. Fixed an issue related to client performance when hovering the mouse over gear icons.

7. Channel chat frequency restriction has been modified.
